## Come sail away!

Our ever popular sailing classes are geared toward specific age groups, ages 4 and up! We have listed these classes with age restrictions; however, please speak with us if you have any questions about what class is right for your child. Please remember that a personal flotation device (PFD) and closed-toe shoes are required for all waterfront classes.

### Laser Sailing, Ages 9+ — NEW!

This class is designed for both sailors who have mastered the fundamentals of sailing and are ready for more independence, and for older novice sailors who are comfortable on the water and eager to jump into the sport. Instruction focuses on boat handling skills, including sail trim and boat speed, so that each participant can become proficient and confident in solo sailing. Both games and drills will be integrated into the class for guaranteed fun and learning! The class will sail in the cove and will also venture into the ocean when conditions allow. This is not racing class but would serve as a precursor to racing and a great stepping stone onto the race team. The Laser sailboat is meant for one person who weighs over 100 lbs and/or is 5 feet tall. As Topsails will be run concurrently, if, in the opinion of the staff, the student is more appropriate for the Topsails class, the child will be reassigned to that class.

### Sea Fleas, Ages 4-6

In row boats, with instructors, children are taught to be comfortable on the water. Class includes a visit to nearby Strawberry Island, where they pretend to be pirates in search of buried treasure!

### Gollywobblers, Ages 7 to 8

This course focuses on teaching basic sailing skills and principles. The curriculum includes learning basic nautical terms, parts of the boat, rigging and unrigging, finding wind direction, learning to steer with a tiller, practicing tacking and jibing, water safety, and knot tying.

### Topsails, Ages 9+

This course is designed for young sailors who may have some previous sailing experience. The curriculum allows sailors to further develop their understanding of sailing fundamentals, including rigging, boat handling, landing and departing the dock, points of sail, reading the weather, seamanship, water safety, basics of racing and sportsmanship.

### Opti Race Team, Ages 9+

This racing-focused class utilizes Optimist Class dinghies and will travel to select MIRC Regattas on Wednesdays. Transportation to and from MIRC regattas is done in parent vehicles. Parents are expected to help drive.

### Keelboat Sailing, Ages 11+

Children are invited on a journey to set sail on a larger boat. Teamwork and communication will be emphasized as the crew works together to sail around Lord's Point and along the Kennebunk coastline.

### Race Team, Ages 11+

This racing-focused class utilizes our Laser and 420 sailboats and will travel to select MIRC Regattas on Wednesdays. Transportation to and from the MIRC regattas is done in parent vehicles. Parents are expected to help drive.

### Race Team 2, Ages 11+

Again this year, open by invitation only (please inquire if interested), our most experienced racers will train at KBIA and travel to competitive, often multi-day, off-site regattas. Parents are expected to help drive. This course requires a multi-week commitment.

### Fitness — NEW!

In this class, for ages 11 and up, students will learn and practice introductory exercises aimed at increasing strength, flexibility and speed with an emphasis on form and agility. Open to athletes of all ability and fitness levels, this course will provide students with current best practices of fitness training as well as a foundational understanding of fitness that will continue to serve them and help their athletic progression well after the conclusion of the course.

### Batik — NEW!

Explore this vibrant fabric painting technique! Students age 9 and older will create unique pieces of fabric that will be used to create a variety of installation pieces including wind socks, flags and wall hangings.

### Surf Art - NEW!

Students age 9 and older will embrace the art and culture of surfing through a variety of media, including mixed media, painting and drawing. We will create surf art inspired by vintage posters, film, and explore the work of contemporary surf artists.

### Mixed Media

Students will use their imaginations and an array of media to create 2D works on paper that playfully experiment with composition and juxtaposition. Artists will use pastels, watercolors, pen and ink, collage techniques, and more, while being inspired by 20th century mixed-media artists.

### Island and Seaside Exploration

Children will explore one or more of the islands in Stage Harbor, have time at the Cape Porpoise pier, and visit either the Wells Reserve at Laudholm or the Rachel Carson National Wildlife Refuge.

### Yoga

We offer this yoga class for adults age 15 and older, two days per week, on the lawn to take in the gorgeous views! Register in the office, at least one day prior to class, you can sign up for one day or more. Mats will be available to borrow or bring your own.

### Jump in for our Swim Team

KBIA will again offer a Swim Team for ages 9 and older who want to compete against area swimmers. One-hour daily instruction will also help swimmers refine their strokes and help keep them in shape! Children under 9 may sign up with Pool Staff permission.

### Drama and more drama

Drama class returns geared toward all levels of experience and fun! **Beginner Drama** is a class where emerging actors act out their favorite nursery rhymes and explore movement through traditional circle games and songs. Pantomime and imagination games are also played. **Drama class** helps up-and-coming actors explore vocal expression and emotions while acting out character play and improvisation. More experienced actors can take the two-week **Advanced Drama** class to learn how to prepare for a role, use movement, vocal exercises and character study to develop short scenes, skits, and monologues for class and camp performances.

### Junior Water Safety Instruction

During a one-hour course, three days a week, the basics of Red Cross swim lessons are taught, including the proper use of course records, lesson planning, and the skills necessary within each of the first four to five levels. Students are expected to spend two additional hours assisting in the pool, putting their instruction to work. Class is instructional only and does not earn certification. For ages 11 and older.

### For our youngest stars

Starfish for ages 4 and 5 is a weekly morning drop-off program designed for preschool age children. The program meets daily from 8:30 to 11:30 AM. A Starfish morning includes a 30-minute swim lesson, story time, nature time and a craft project. This year we again offer the option to add on a tennis lesson, which would extend to 12:30 PM and includes walking to Edgcomb with KBIA staff to be picked up by a caregiver after the lesson. The Starfish program is staffed at a 4-to-1 ratio to ensure appropriate supervision of children at all times.

### Movie Nights

Back by popular demand, we will continue to offer two Movie Nights per week: PG-rated movies on Mondays and G-rated movies on Wednesdays. Due to capacity limits, admission is granted in the order registrations are received. Parents MUST PREREGISTER children on their Registration Form or at the office by 4 PM the day of Movie Night. Maximum enrollment is 50 children. Walk-ins are not accepted.

# KBIA Policies and Expectations

## Membership

We welcome everyone to join! In order to be eligible to register for KBIA classes for Weeks 2-8, you must be a KBIA member and pay the annual membership fee. One membership is required per family, which is defined as one or more generations living in the same household, with members of the younger generation being direct descendants of the older generation. Non-members are welcome to sign up for classes for Week 1 without paying a membership fee, however, class registrations do apply. For information, please review the enclosed Membership Form. Please note that KBIA memberships, once processed, are non-refundable.

## Class Registration & Participation

Classes fill quickly! KBIA processes memberships and class registrations as they're received. All required forms must be complete to be processed. Returning all your required forms promptly will help you secure the classes and schedule you selected. Please return required forms by USPS first-class mail to KBIA, email to [registration@kbia.net](mailto:registration@kbia.net), or fax paperwork to (207) 510-8058. Please do not leave required forms in the KBIA mailbox. Office registration, priority/overnight delivery, and mail requiring a signature receipt are only accepted on-site during office hours beginning June 17, 2019.

## Class & Safety Requirements

In order to attend classes, each child must be the specified age for their age group by June 15, 2019. Unless a child is enrolled in Adventures or the Bundled Class schedule, KBIA does not provide supervision of children outside of scheduled class time. KBIA has an open-campus policy. KBIA faculty and staff are not responsible for the supervision or accountability of children when they are not attending KBIA classes. KBIA assumes responsibilities for children once they arrive at class and for the duration of the class. At drop-off, parents or guardians can indicate to the class instructor the individual who is responsible for picking up the child or if the child is allowed to leave independently. Children arriving to class independently will be allowed to leave class independently.

## Non-Discrimination Policy

KBIA is committed to supporting the goal of equal opportunity and does not discriminate based on race, color, sex, sexual orientation, physical or mental disability, religion, age, ancestry or national origin, status as a veteran, status as a whistleblower, or any other status protected by law in the hiring of counselors and staff or in administration of its educational policies, admissions policies, scholarships, and other KBIA-administered programs.

## Parent Visits

KBIA has a beautiful campus, and we encourage you to enjoy the unique surroundings. Tables, chairs, and umbrellas are for your use. However, if you would like to visit your child's "classroom," please contact the instructor or Executive Director to set up a convenient day and time. Sometimes parents drop in unannounced to chat with a teacher. While such practice may seem harmless and even friendly, it is often disruptive to the classroom routine. Under no circumstance should a teacher leave a class to have more than a cursory exchange, and under no circumstance should a parent initiate any kind of lengthy, intense, or negative interaction with a teacher, counselor, or counselor-in-training ("CIT") who is working with a class. Other than to drop off or pick up a child, please refrain from entering the docks, swimming pool, Adventures Tent, Smith House or classrooms in the Strong Cottage when camp is in session. Private boats are not allowed at any time on our docks.

## Conduct and Values

We expect children to show respect for and consideration of the feelings and welfare of others. Rules and discipline start with the premise, and with the firm belief, that self-esteem is the foundation that nurtures both respect for others and personal honesty. Trust is the cornerstone of our community. KBIA expects every member of its community, child and adult, to demonstrate concern for others. Therefore, we share and practice the following standards:

- We respect the dignity and individual needs of other human beings. No one, neither adult nor child, has the right to mistreat another person. This includes name calling, ethnic, racial or gender-based slurs, bullying and inappropriate teasing;
- When we make decisions about personal and KBIA matters, we accept the consequences for those decisions;
- We respect KBIA's property and the property of others; and
- We strive to serve and contribute to the welfare of KBIA, the Cove, Mother's Beach, and the Kennebunk Beach community.

## Behavior and Discipline

KBIA is located next to the ocean, and many of our classes are on the water. Safety is of the utmost concern and we expect members of the KBIA community (children, counselors, staff, and parents) to abide by the following principles: care for self, care for others and care for one's environment. We demonstrate these principles through the qualities of honesty, self-control, and responsibility.

A child who exhibits inappropriate behavior will discuss the matter with the instructor, and other students if required, and together make a decision about the appropriate consequence. Instructors help students to understand the boundaries of appropriate behavior and we ask parents to support these efforts by reinforcing them at home.

In the case of a serious infraction, or repeated offense, the Executive Director will become involved and contact the parents to set up a meeting. Suspension or even dismissal from the program may be necessary when other solutions are exhausted, or when a child's behavior creates a dangerous environment or causes an undue disruption to KBIA operations. Such decisions are at the discretion of the Executive Director.

## Employment of Counselors

KBIA offers employment to young men and women starting at age 15. Typically, these teenagers have been campers at KBIA and have participated in the CIT program during the previous two summers. The CIT curriculum covers topics such as the basics of employment (being accountable, responsible and diligent), customer service, and safety. Any counselor, whether they have matriculated in the CIT program or are direct new hires, are expected to demonstrate these skills.

If an issue should arise regarding the performance of an employee under the age of 18, the Executive Director will attempt to resolve the issue directly with the employee. The KBIA views these incidents as opportunities to learn and develop. Yet should the problem persist, or is a major problem, the Executive Director will reach out to the parents of employees under the age of 18 to enlist their assistance with the matter. If an employee is over the age of 18, parents will not be contacted.

## Educational Accommodations Statement

KBIA is not a special-needs program and is not equipped to provide individualized educational programs for students with severe physical, cognitive, or mental disabilities. KBIA will make reasonable accommodations for known disabilities to assist the child in meeting the behavioral performance standards of the program.
