GUIDE**

SUMMER 2021

Please help us kick off KBIA's 111th season! During Week 1, no membership fee required

The Kennebunk Beach Improvement Association will soon be back on the beach for our 111th season of summer fun. In our 2021 Registration Guide you will find our listing of the recreational adventures and enrichment activities we offer children at our picturesque seaside property. Classes are open to KBIA members, and membership is open to the public. Membership also includes many fun family events, including twice-daily free-swim sessions for enrolled children, Wednesday night campfire beach BBQs followed by movie nights (registration required), as well as sailing and kayaking on weekends. Whether KBIA is part of your

family's summer tradition, or you are checking us out for the first time, we encourage everyone to experience summer here at KBIA — the way summer should be! KBIA is going greener! This year the registration guide is all online, but you may request to have a packet mailed to you. To request a printed copy, please email ProgramAdmin@kbia.net with the subject line: Requesting a printed 2021 registration guide. Please include your mailing address in the body of the email. It is important for kids to be prepared for the changing weather and dress accordingly. It can be much colder near the beach than inland. PLEASE BRING A MASK!

Power Boating Private Classes, Ages 9+—NEW for 2021

In order to accommodate the large number of participants requesting Power Boating in the safest manner possible, this year we are limiting registrations to four private sessions per family. All students within your pod taking the class must be at least 9 years old to participate - adults are welcome to accompany children (max of 4 people in each podded private experience). All sessions will be available for registration online with waitlists available for all sessions. Starting June 1, children on the waitlist will begin filling any empty spaces in Power Boating that remain for the summer. If you are not registering online and wish to send in your forms instead, we suggest emailing registration@kbia.net for the days and times of private sessions you are requesting. Available times are listed on page 17 of this guide.

Weekend Private Waterfront Lessons

For families and students who are not comfortable with multi-household classes, we will offer private sailing, kayaking, and SUP lessons on Saturdays and Sundays when the water is good. All these lessons must be scheduled directly with the Office Staff by emailing registration@kbia.net.

Private 1 hour of SUP for 2 people (Add \$15/hr per additional person up to 6): \$100

Lunch and Learn, Ages 13+

To provide more learning opportunities for our CIT aged students, we are launching a weekly Lunch and Learn series on the beach. Every Tuesday, those ages 13 and up can bring their own bag lunch and participate in a Q&A session with a local professional. Moderated by a KBIA staff member, different professions will be featured each week!

Back by popular demand, specific classes are bundled together to give children a three-hour (or, with tennis, four-hour) period of KBIA programming with supervision included between classes. Parents drop off their child at the first class and pick them up at their last class. Continuous supervision is provided by KBIA, led by our Bundle Coordinator throughout the day.

Laser Sailing, Ages 10+

This class is designed for both sailors who have mastered the fundamentals of sailing and are ready for more independence, and for older novice sailors who are comfortable on the water and eager to jump into the sport. Instruction focuses on boat handling skills, including sail trim and boat speed, so that each participant can become proficient and confident in solo sailing. Both games and drills will be integrated into the class for guaranteed fun and learning. The class will sail in the cove and will also venture into the ocean when conditions allow. This is not racing class but would serve as a precursor to racing and a great stepping stone onto the race team. The Laser sailboat is meant for one person who weighs over 100 lbs and/or is 5 feet tall. As Topsails will be run concurrently, if, in the opinion of the staff, the student is more appropriate for the Topsails class, the child will be reassigned to that class.

Gollywobblers, Ages 7 to 8

This course focuses on teaching basic sailing skills and principles. The curriculum includes learning basic nautical terms, parts of the boat, rigging and unrigging, finding wind direction, learning to steer with a tiller, practicing tacking and jibing, water safety, and knot tying.

Topsails, Ages 9+

This course is designed for young sailors who may have some previous sailing experience. The curriculum allows sailors to further develop their understanding of sailing fundamentals, including rigging, boat handling, landing and departing the dock, points of sail, reading the weather, seamanship, water safety, basics of racing and sportsmanship.

Opti Race Team, Ages 9+

This racing-focused class utilizes Optimist Class dinghies and will travel to select MIRC Regattas on Wednesdays. Transportation to and from MIRC regattas is done in parent vehicles. Parents are expected to help drive.

Cruisin' With a Crew, Ages 11+ — NEW!

Children are invited on a journey to set sail on 420s. Teamwork and communication will be emphasized as the crew works together to sail along the Kennebunk coastline. New this year, this class is offered as either a two-day or one-day experience!

Race Team, Ages 11+

This racing-focused class utilizes our Laser and 420 sailboats and will travel to select MIRC Regattas on Wednesdays. Transportation to and from the MIRC regattas is done in parent vehicles. Parents are expected to help drive.

Family Sunset Sail — NEW!

New this year, on select Thursday and Friday evenings when the water is high, we are offering the opportunity for families to learn how to rig and sail as a unit in a small-class setting. This is open to new and returning sailors alike - so please join us on the water!

CIT- Sailing Instructor Training Course, Ages 13-14 — NEW!

This course is designed for youth sailors who want to move into a Waterfront Sailing Counselor position. With an overall emphasis on safety, students will practice knot tying, powerboating, rigging, running races and will problem-solve live and fluid situations such as changing sea and weather conditions. Students are expected to spend two additional hours assisting on the Waterfront, putting their skills to work. Two weeks of enrollment over the course of the summer qualify you as an incoming Waterfront counselor candidate. Prerequisites: One season of laser sailing; students can fulfil this prerequisite while taking the Waterfront Sailing Counselor in Training Course.

CIT- Tennis Training Course

This half-hour weekly class is designed to give CITs interested in becoming Tennis counselors exposure to tennis teaching techniques and games. While designed for CITs, current counselors working at KBIA in other areas who want exposure to Tennis are also welcome to attend.

Mosaics — NEW!

Learn the ancient art of mosaic! In this class, students age 9 and older will design and create a tile out of a variety of mosaic components (beach glass, shells, driftwood, pebbles, etc).

Kinetic Circus — NEW!

Inspired by Alexander Calder's Circus, Kinetic Circus will guide students age 9 and older to create circus performers, animals, and vehicles from wire, cork and fabric. All these creations will have a place under a miniature "Big Top" designed to embrace ingenuity and imagination!

Bookmaking — NEW!

Explore this hands-on technique and create your own sketchbook. Each student will create a unique book that can accommodate art, journaling, or scrapbooking. Ages 9+

Landscape Painting — NEW!

Paint the extraordinary landscape that surrounds KBIA. Students age 9 and older will embrace the art of painting with locally-inspired scenery.

Tennis - Game Play, Ages 9+ — NEW!

Game Play is a class designed for tennis players who love playing tennis games! Throughout the week, players will have the opportunity to play a wide variety of fun, fast paced games to work on their tennis skills and fitness. The class is designed for players who know how to consistently hit a forehand, backhand, and volley.

This private is for up to 10 total people to be in the pool at a time. All those who are not independent swimmers are required to have an adult accompany them. Instructors are available for lessons or note that you would just like it to be a free swim session for your pod - the choice is yours! Each private is billed per day - \$90/30 min session. Times available are as follows:

12:15-12:45
12:45-1:15pm
1:15-1:45pm

Island and Seaside Exploration

Children will explore one or more of the islands in Stage Harbor, have time at the Cape Porpoise pier, and visit either the Wells Reserve at Laudholm or the Rachel Carson National Wildlife Refuge.

For our youngest stars

Starfish for ages 4 and 5 is a weekly morning drop-off program designed for preschool age children. The program meets daily from 8:30 to 11:30 AM. A Starfish morning includes a 30-minute swim lesson, story time, nature time and a craft project. This year we again offer the option to add a tennis lesson, which would extend to 12:30 PM and includes walking to Edcomb with KBIA staff to be picked up by a caregiver after the lesson. The Starfish program is staffed at a 4-to-1 ratio to ensure appropriate supervision of children at all times.

COVID-19 POLICIES

There are many differences between KBIA this year and years past. When at all possible, KBIA will hold classes outside. Any class that occurs indoors will be in a space with an air purifier and/or exhaust fans in the windows, staff and children fully masked with hand sanitizing/washing stations available. All bathrooms will be fitted with germicidal UV lights and blowers and KBIA maintenance staff will regularly clean and sanitize shared areas throughout the day. All classes will have reduced enrollment to ensure we can provide a safe, quality enrichment space for children who participate.

Additional policies related to COVID-19 include:

Masks are required at all times:

KBIA will comply with masking on campus at all times. Children, counselors, and staff are all expected to wear masks when on KBIA property. KBIA will have some disposable masks for students, but highly encourage 3-layer masks for all students. KBIA will provide masks for all counselors and staff.

The only times masks may be removed are when:

- In the pool
- On a private watercraft without a boat mate (single person kayak, SUP board, sailboat without a boat mate)
- With your pod in a private powerboating class

All children who cannot swim on their own must be accompanied by a designated adult in the pool

KBIA anticipates that our swim instructors will instruct on the sidelines of the pool, as we did in 2020. In this model, no instructor will be in physical contact to assist young swimmers in the pool unless lifesaving measures are required. All classes will be limited in enrollment to allow for proper distancing.

All those who cannot get into and out of a watercraft on their own MUST be assisted by a parent/guardian

For the safety of our participants and our staff, we are requiring that children without the ability to get themselves in or out of watercrafts must be assisted by a household member. KBIA employees will not assist in a hands-on manner unless a life-saving measure is required.

COVID-19 Waivers must be completed or your participation will not be allowed

All KBIA participants must complete the form online for every day they participate in programming. The waiver cannot be completed prior to the day of classes. There are no exceptions. A link to the waiver is on our homepage at www.kbia.net

Cancellations and Deadlines

To cancel a class for a full refund:

The cancellation request must be submitted to the Office and confirmed BEFORE 3:30pm on the Friday of the week before classes begin.

Cancellations due to sickness

All cancellations due to sickness will result in a full refund. HOWEVER, if you cancel for sickness, NO MEMBER OF YOUR HOUSEHOLD will be allowed to participate in KBIA programming until all household members are 14-days symptom free or you can provide a negative test result after symptoms clear in the wake of an exposure consistent with CDC guidance on timeline.

Tennis registrations must be completed before the week begins. No additions will be made to tennis classes (for the multi-household sign ups) after 3:30pm on the Friday before the classes begin.

If KBIA cancels a private/pod lesson or class due to bad weather then we will issue refunds. This is specific for private and podded classes – it does not extend to multihousehold classes. In an effort to work with families, we will first offer to make up the time missed and if a suitable make up time cannot be found then we will offer refunds. KBIA classes will continue in rain, but not lightning or dangerous sea conditions.
