Starfish

Starfish for ages 4 and 5 is a weekly morning drop-off program designed for preschool age children. The program meets daily from 8:30 to 11:30 AM. A Starfish morning includes a 30-minute swim lesson, story time, nature time and a craft project. The Starfish program is staffed at a 4-to-1 ratio to ensure appropriate supervision of children at all times.

This year we will again offer the option to add a tennis lesson, which would extend to 12:30 PM and includes walking to Edgcomb with KBIA staff to be picked up by a caregiver after the lesson. To add this option, members will need to register for Starfish IN ADDITION to the 11:30 AM Tennis Walk to Edgcomb and the 12 PM Tennis Stroke Development class.

Class Requirements: Please bring a snack, drink, and a swimsuit and towel.

WEEKS	CLASS	DATES	TIMES	DAYS	FEE/WEEK
1-8	Starfish	June 27-Aug 19	8:30-11:30 AM	M-F	\$335

Starfish is a program for ages 4 and 5.

Bundle

Back by popular demand, specific classes are bundled together to give children a 3-hour (or, with tennis, 4-hour) period of KBIA programming with supervision included between classes. Parents drop off their child at the first class and pick them up at their last class. Continuous supervision is provided by KBIA, led by our Bundle Coordinator throughout the day.

Drop off for all Morning Bundle children should be in the location of their age group's specific class as indicated in the box below. If a child takes the 12:30 tennis class as part of the Bundle, parents should drop off their child at 9 AM at KBIA and pick their child up at Edgcomb at 1 PM. KBIA staff will supervise children changing clothes, eating lunch, and walking them to Edgcomb for their lesson.

If you wish to add Tennis, members will need to register for the Bundle (either Swim or Reading) IN ADDITION to the 12 PM Tennis Walk to Edgcomb and the 12:30 PM Tennis Stroke Development class.

Morning Bundle, plus tennis

12:30-1	Optional Tennis class for ages 4-10		

If a child takes the 12:30 to 1 PM tennis class as part of the Bundle, parents should drop off their child at 9 AM at KBIA and pick their child up at Edgcomb at 1 PM. KBIA staff will supervise children changing clothes, eating lunch, and walking them to Edgcomb for their lesson.

Bundled schedules: We offer either a Swimming or Reading bundle. The Swimming Bundle includes a half-hour swim lesson and a half-hour of supervised time to change clothes, have a snack, and play. The Reading Bundle has a 1-hour reading class at the same time the swim classes occur. NOTE: KBIA cannot provide supervision for children outside of class time or transport them to classes unless they are enrolled in the Bundle OR KBIA Adventures.

Class Requirements: Bag lunch, water bottle, sunscreen, swimsuit (if in the Swimming Bundle), Tennis whites and a racquet (if in Tennis).

Pool

Swim Lessons – Ages 2+

Following the American Red Cross standards, featuring six levels of training, lessons are conducted from pre-beginner to advanced swimmer. Progress is charted, and level completion rewarded. NEW this summer, the KBIA swim staff will be charting and saving each child's level completion in Daxko to provide continuity for future years of swim instruction beyond age banded classes. Many of our instructors hold WSI Certification and are aided by Counselors and CITs, for a low student-teacher ratio. Class levels are age- and skill-appropriate. The pool is heated to 78 degrees.

Class Requirements: *Children must be potty-trained — swim diapers are not permitted for sanitary reasons.*

Diving – Ages 5+

Learn the art and grace of diving. Covered dives include the pike, back dive, flips and more. WSI-certified instructors supervise and model appropriate techniques, with emphasis on technique and safety. Class levels are age- and skill-appropriate. Children must be able to comfortably swim in the deep end.

Swim Team

Free Swim – Ages 5+

KBIA is excited to welcome back the ever-popular FREE SWIM! This supervised activity is offered daily, Monday through Friday, from June 27 – August 19. These half-hour free-swim sessions are available for children ages 5+, from 12 to 12:30 PM and 3:30 to 4PM. Free swim is available to children currently enrolled in KBIA classes.

Swim Team – Ages 9+

KBIA will again offer a Swim Team for those who want to compete against area swimmers. One-hour daily instruction will also help swimmers refine their strokes and help keep them in shape. Children under 9 may only register with the Pool Director's permission and, therefore, would need to contact the KBIA Office directly.

Water Polo – Ages 9+

This fun class is all about play for our older students! NOTE: This class will only be offered weeks 3, 4, 5, and 6 this summer!

Jr. Lifeguarding – Ages 13 & 14

Open to our older students and following the American Red Cross standards, progress toward lifeguard certification is charted, and level completion rewarded. Children, as young as age 11, may only register with the Pool Director's permission and, therefore, would need to contact the KBIA Office directly.

Participation in this class is free to those also cross-registered for the CIT program in the same week. For registered CITs – please contact the Office to register for this class at no charge by emailing registration@kbia.net.

Private Lessons

Private swim lessons are arranged in conjunction with the Pool Director and the KBIA Office. Rates are for a single day of instruction and are as follows:

Private lesson (1 child; 30 minutes): \$35

Semi-Private Lesson (2 children; 30 minutes): \$50

Tennis

Our tennis program is organized into skill and age-appropriate classes. All classes are held at Edgcomb Tennis Club, a 10-minute walk from KBIA.

Tennis Class Requirements: Participants must bring their own tennis racquet and wear proper tennis whites (all items of clothing need to be 90% white) and tennis shoes (non-tennis shoes are not permitted on courts as they cause damage). Participant will not be allowed to enter the courts unless properly dressed. Please bring your own water bottle.

Tennis Stroke Development – Ages 4-10

- Ages 4-6: This introductory tennis class uses a smaller court and smaller balls and will focus on fun hand-eye skills, teaching all the tennis fundamentals — emphasis on FUN!
- Ages 7-10: This quick-start program uses a smaller court and different tennis balls to make the game accessible to all players. This class further develops fundamentals while kids have fun playing interactive games. Further work on fundamentals come from playing fun games, as well as net volley and base line challenges.

Game Play – Ages 9+

This class is designed for tennis players who love playing tennis games. Throughout the week, players

will have the opportunity to play a wide variety of fun, fast paced games to work on their tennis skills and fitness. The class is designed for players who know how to consistently hit a forehand, backhand, and volley.

Match Play – Ages 9+

For children who have solid strokes, the ability to maintain a rally and want the challenge, this class will allow participants to play competitive games while getting pointers from the tennis staff.

Tennis Walks – Ages 4-10

We offer supervised walks to/from Edgcomb for classes. We recommend that you sign up for the walk that leaves 30 minutes prior to your scheduled Tennis class to have your child arrive on time.

Art Classes

*From general Creative Arts to advanced techniques in painting and jewelry design –
KBIA has an art class for every age and skill level!*

Creative Arts – Ages 4-10

Students will explore art concepts such as shape, color, line and texture. They will create nature-themed art projects that require multiple steps. Projects may take two to three class periods to complete. Some classes will begin with reading a children's story that makes a connection to the art project.

Sample projects may include a hermit crab house, a bird feeder made from recycled materials, paper mache sea creature, batik ocean wall hanging, garden gazing ball, plaster casting in a mold or model magic fish sculpture.

Pottery & Sculpture – Ages 4+

Children will explore a variety of clays while creating various one-of-a-kind pieces daily/weekly. The children will take part in a clay journey where the sky is the limit, imagination nurtured and curiosity encouraged! The children will learn about design, pattern, texture, line and colour and at the same time experience various hand-building techniques such as; how to knead, roll out and join clay together. We will focus on having fun while creating unique clay treasures to remember KBIA.

Jewelry: Beyond Beads – Ages 7-10

This two-hour beginner jewelry class will explore a variety of sustainable materials as well as traditional metals to

create original art to wear! Using basic hand tools and traditional fabricating techniques, students will be inspired by examples from around the world of new directions in jewelry making. (There will still be some beads!)

Jewelry Design – Ages 11+

This two-hour class will introduce students to more advanced jewelry and metalworking techniques. We will learn mold making and cast lead free pewter into sand and plaster molds. A variety of “cold connections” such as riveting and tabbing will be explored as well as the texturing and finishing of metal. Students can create jewelry or small sculptural work.

Art Classes

Art Electives (for ages 9+)

Bookmaking

Explore this hands-on technique and create your own sketchbook. Each student will create a unique book that can accommodate art, journaling, or scrapbooking.

Drawing

Drawing is the most basic course that enhances every artistic activity. Instruction covers basic volume, light and shadow. Mediums include pencil, ink, pastel and some watercolor wash. Learn to quickly capture the world at large!

Mosaics

Learn the ancient art of mosaic! In this class, students age 9 and older will design and create a tile out of a variety of mosaic components (beach glass, shells, driftwood, pebbles, etc).

Painting

This class will serve as an introduction to water-based painting techniques, including color use, light and dark, and how to create an interesting composition using unusual found objects. Art history will also be discussed.

Printmaking

Explore the art of printmaking. Lessons will cover printing techniques such as collagraphs, gelatin prints, and stamping. These techniques will be used for lots of fun projects including designing fabric, embellishing sketchbooks, and creating works of art.

Puppets

Dive into mixed media creation while designing and building your own puppets!

Reading – Ages 5+

Budding readers begin their journey in reading and writing. Fun, hands-on literacy activities such as read-out-loud, shared reading, songs, poems and much more. More experienced readers have fun integrating reading while they create a project. Watch their creativity blossom as the story comes to life through their work.

Toddlers & Tales – Ages 2-4

Developed with our youngest participants in mind, Toddlers & Tales is designed to introduce new stories and all-time favorites to toddlers in a fun, inclusive environment. Parents are invited to join but are not required.

Titles & Tidepools – Ages 5-6

This class is a stimulating combination of reading and marine biology. Explore our cove to learn about the plants and animals that live there, collect shells and sea glass and then use these beautiful treasures to develop a story. Illustrate and write your own book or journal to take home as a lasting reminder of your summer at KBIA.

Class Requirements: Closed-toe water shoes or old sneakers are a must, sunscreen, a water bottle, and bring a beach pail!

Word Wizards – Ages 11+

An interactive reading class for ages 11 and older will include fun and challenging reading games!

Registration opens April 2!

Drama – Ages 5+

Drama class returns – geared toward all levels of experience and fun! Beginner Drama is a class where emerging actors act out their favorite nursery rhymes and explore movement through traditional circle games and songs. Pantomime and imagination games are also played. Drama Class (ages 7+) helps up-and-coming actors explore vocal expression and emotions while acting out character play and improvisation.

Advanced Drama – Ages 9+

More experienced actors can take the two-week Advanced Drama class to learn how to prepare for a role, use movement, vocal exercises, and character study to develop short scenes, skits, and monologues for class and camp performances. Sessions run week 2&3, 4&5, and 6&7.

Golf – Ages 5+

We are happy to partner with Webhannet Golf Club to offer weekly golf lessons to our KBIA community. Overall Program Mission – Create and maintain a fun and safe environment for all our junior golfers who participate, while incorporating the core values that golf has to offer – honesty, integrity, sportsmanship and respect.

Ages 5-8: This class will teach the juniors the basic fundamentals of the golf swing which includes – grip, balance and good foot work. It will also focus on improving motor skills through various activities, for example, kicking a soccer ball, hopping, and skipping.

Ages 7-10: This session will continue to teach the basic fundamentals of the golf swing for both pre-swing and in-swing, while continuing to focus on improving motor skills. This class will also begin to introduce the golf course and teach junior golfers terminology, various formats and the rules of golf.

Ages 9+: This age group will continue to focus on pre-swing fundamentals while introducing more in-swing fundamentals based on individual experience and ability. This class will have access to the golf course to learn more about the rules of golf, terminology, and begin to learn the individual component of the game.

Class Requirements: Collared shirt, sneakers and clubs, at least a wood, 6 or 7 iron, and a putter.

Topsails – Ages 9+

This course is designed for young sailors who may have some previous sailing experience. The curriculum allows sailors to further develop their understanding of sailing fundamentals, including rigging, boat handling, landing and departing the dock, points of sail, reading the weather, seamanship, water safety, basics of racing and sportsmanship.

Laser Sailing – Ages 11+

This class is designed for both sailors who have mastered the fundamentals of sailing and are ready for more independence and for older novice sailors who are comfortable on the water and eager to jump into the sport. Instruction focuses on boat handling skills, including sail trim and boat speed, so that each participant can become proficient and confident in solo sailing. Both games and drills will be integrated into the class for guaranteed fun and learning! The class will sail in the cove and will also venture into the ocean when conditions allow. This is not racing class but would serve as a precursor to racing, and a great stepping stone onto the race team. The Laser sailboat is meant for one person who weighs over 100 pounds and/or is five feet tall. As Topsails will be run concurrently, if in the opinion of the staff the student is more appropriate for the Topsails class, the child will be reassigned to that class.

Kayaking & SUP

Calling all paddlers! KBIA offers both kayaking and stand up paddleboard instruction (SUP)! Both classes are taught by certified guides and incorporate small class instruction in the Cove!

Class Requirements for all kayak/SUP classes:

Participants must bring their own life jacket and closed-toe water shoes.

Kayaking – Ages 7+

A fun class that teaches the basics of kayaking while stressing safety. This class will provide kayakers with the necessary skills to paddle safely, efficiently and with confidence. Participants will learn how to enter, exit, and maneuver their kayak. Once the kayaker has learned the basic skills, they will continue to strengthen their abilities through water games and races in the Cove.

Kayak classes stay in the Cove.

Kayak or SUP Trip – Ages 9+

An exciting class for our more experienced paddlers, participants are guided on a long paddle outside the Cove. Enjoy three hours of paddling in the open ocean to a destination where paddleboards will be beached for a snack break. Great ready for an adventure! Sign up for EITHER kayaking or SUP but, when tides allow, the trip combines both classes together on the journey.

Tween Night – Ages 11 & 12

A night of entertainment designed to build friendships and keep the Jr. Teens active. Activities include pizza, beach games, music, bonfires, crafts, and more. Jr. Teens will help select their own activities and design other events throughout the summer. KBIA Staff provides support for these events.

Teen Night – Ages 13 & 14

Teens get together for some fun and to connect with their peers in an informal setting. Activities may include pizza, campfires, concerts with local musicians, casino night, barbecues, beach games and more. Teens help select their own activities and design events throughout the summer.

CIT Programs

General CIT Classes

In order to participate in the General CIT program, a child must enroll in the class. The General CIT program for ages 13 to 14 emphasizes on-the-job training, supervised instruction, and lessons in CPR and First Aid. CIT classes will be divided between 13- and 14 year-olds. We offer a combined 13/14-year-old afternoon CIT class for those who have a schedule conflict with the morning classes. Each CIT will be assigned 12 or more flexible hours of service activities per week. CITs are required to register for the General CIT class, as well as complete a CIT Interest Form (available [here](#)). CITs must enroll in at least two consecutive weeks, but are encouraged to take as many weeks as possible. General CIT gives experience and training in all KBIA classes EXCEPT for Tennis and Sailing. For CITs interested in Tennis, they must enroll in General and CIT Tennis classes. For those interested in being Sailing CITs, they need only register for Sailing CIT.

Tennis CIT

This half-hour weekly class is designed to give CITs interested in becoming Tennis counselors exposure to tennis teaching techniques and games. While designed for CITs, current counselors working at KBIA in other areas who want exposure to Tennis are also welcome to attend.

Class Requirements: Participants must bring their own tennis racquet and wear proper tennis whites (all items of clothing need to be 90% white) and tennis shoes (non-tennis shoes are not permitted on courts as they cause damage). Participant will not be allowed to enter the courts unless properly dressed. Please bring your own water bottle.

Sailing CIT

This course is designed for youth sailors who want to move into a Waterfront Sailing Counselor position. In addition to fine-tuning your own sailing skills, you will acquire new skill sets that will prepare you to teach sailing classes. With an overall emphasis on safety, students will practice knot tying, powerboating, rigging, running races, and will problem-solve live and fluid situations such as changing seas and weather conditions. Students are expected to spend two additional hours during the week assisting on the Waterfront, putting their skills to work. Two weeks of enrollment over the course of the summer qualify you as an incoming Waterfront counselor candidate.

Prerequisites: One season of laser sailing students can fulfill this prerequisite while taking the Waterfront sailing Counselor in Training Course.

Class Requirements: Participants must bring their own life jacket and closed-toe water shoes.

CIT Programs

FAQs on the CIT Program

What is the cost of CIT class?

\$120 / week for the first four weeks, no charge after that.

Parents - only sign your campers up for four weeks, then contact the office if you want them to have additional CIT time. Parents cannot sign campers up for the "No Charge CIT" classes.

Waterfront/Sailing CIT is \$150/week.

How many weeks can I be a CIT?

We recommend at least two, and up to all 8 weeks.

Waterfront/Sailing CIT we require 2 weeks.

What does CIT class look like?

CIT's meet with the CIT coordinator twice a week for an hour. We will review safety

procedures, leadership qualities, team building, & communication skills, just to name a few topics. We will play games, assist KBIA with projects, and have guest speakers. We hope to have a few "bonus" activities & get-togethers as well.

What do CITs do?

CIT's assist KBIA faculty with their classes. You may play games with the Adventures campers, walk and talk with tennis classes on the way to the courts, help campers stand up on their paddleboards, all sorts of things! You are learning to be a junior counselor for KBIA.

Can a CIT still sign up for other classes?

Absolutely! You are welcome to sign up for

any classes you still wish to take as a student (sailing, surfing, tennis, art electives, etc).

Your CIT class volunteer schedule will be adjusted around any classes you register for.

How many classes can I be a CIT for?

We encourage you to sign up for about 12 hours of classes per week.

How do I sign up to be a CIT for classes?

Standard Classes: Sign up sheets, or possibly Google Forms will be available weekly for CIT's to volunteer for classes

Sailing Classes: There is a separate CIT class for sailing that you must be registered for. You do not need to do both, but you certainly can! If you wish to CIT for classes other than sailing, you do need to register for both classes.

KBIA Adventures

Our popular KBIA Adventures program keeps children ages 5 and older actively engaged in between their KBIA classes. This program allows you to choose classes a la carte. In addition to providing fun activities, the staff is responsible for dropping off and picking up children from their classes. The staff also ensures Adventures kids are properly hydrated and protected from the sun.

Full- and half-day programs

Weekly enrollment in KBIA Adventures is available for full or half days. In order to participate, half-day children must register for a minimum of 3 classes that occur during their session, either 8 AM to 12 PM or 12 to 4 PM. Full-day children must register for at least 4 classes.

WEEKLY RATES* FOR FIVE DAYS:

Full day: \$187

Half-day: \$115

Single day: \$46

Half day mornings: \$25

Half day afternoons: \$30

** Above prices are the KBIA Adventure fees, not including the price of selected classes*

you in writing on the 2022 Contact Information & Release Form. IDs for pick-up are required. Late fees charged for late pickup at a rate of \$10 for each 15 minutes or fraction thereof.

Daily arrangements are available with permission of the Program Administrator at a cost of \$46 for a full day or \$30/\$25 for half days. Enrollment is limited.

For your child's safety, supervisors can only release your child to adults designated by

THINGS TO BRING

- Bag lunch and snacks
 - Water bottle
 - Swimsuit
 - Towel
 - Sunscreen
 - Change of clothes
- * We provide water but cannot offer refrigeration

Parents, please check your child in and out with the Tent Coordinator every day.

Children bring their own lunch/snacks to enjoy between classes!

KBIA Adventures

Adventures fills the gap for children between classes.

Children are actively engaged under the tent or supervised around campus or on the playground.

Adult Classes: Yoga, Lap Swim

We have some select classes that are set aside for adults only – yoga and lap swim are the regular weekly options, but adults are welcome to jump into Family Sunset Sail (see Page 25) or attend a Cove Walk (see Page 38). Also, we offer private boating lessons by appointment only as well. You could also buy out a Paint Night for a group of friends. Contact the KBIA Office if you would like to arrange any private experience!

Yoga

Join our yoga class for adults age 15 and older, two days per week, on the lawn to take in the gorgeous views! Register in the office, at least one day prior to class, you can sign up for one day or more. Mats will be available to borrow or bring your own.

Registration Policies & Expectations

MEMBERSHIP

We welcome everyone to join! In order to be eligible to register for KBIA classes for Weeks 2-8, you must be a KBIA member and pay the annual membership fee. One membership is required per family, which is defined as one or more generations living in the same household, with members of the younger generation being direct descendants of the older generation. Non-members are welcome to sign up for classes for Week 1 without paying a membership fee, however, class registrations do apply. Please note that KBIA memberships, once processed, are non-refundable as they are tax-deductible contributions to KBIA as a 501 (c) (3) (the membership is deductible with the exception of a \$25 administrative fee). For more information, see the [Membership page on our website here](#) or email the Office at info@kbia.net.

**Click here to register
for KBIA programs**

CLASS REGISTRATION & PARTICIPATION

Classes fill quickly! Memberships can be renewed/acquired online here at any time. However, all class registrations are processed beginning on Saturday, April 2 at 9 AM EST. If you submit registrations electronically, they will be processed by Office staff at that time and in the order they are received AT THE SAME TIME that online registration is open to all.

WAITING LIST: If any of the classes you select are filled, you have the option to register for the waitlist. KBIA will notify you if you are moved from the waitlist to full enrollment. At any time, you can check your status on the waitlist through your online Daxko portal.

PAYMENT: In order to be processed, all required forms must be accompanied by complete payment of the annual membership and class fees at the time of registration. Alternative payment plans may be available if needed; please contact the Program Administrator at ProgramAdmin@kbia.net to inquire about

alternate plans. Payments may be made by credit card through Daxko. Check payments may be mailed or brought to the KBIA Office during office hours. Cash payments are only accepted in person during Office Hours beginning June 20, 2022.

CLASS & SAFETY REQUIREMENTS

In order to attend classes, each child must be the specified age for their age group by June 15, 2022. Unless a child is enrolled in Adventures or the Bundled Class schedule, KBIA does not provide supervision of children outside of scheduled class time. KBIA has an open-campus policy. KBIA faculty and staff are not responsible for the supervision or accountability of children when they are not attending KBIA classes. KBIA assumes responsibilities for children once they arrive at class and for the duration of the class. At drop-off, parents or guardians can indicate to the class instructor the individual who is responsible for picking up the child (pre-approved and listed in your Daxko profile) or if they child is allowed to leave independently. Children arriving to class independently will be allowed to leave class independently.

WEATHER WARNING: The weather on the waterfront can change quickly. Be sure your child has sun protection and appropriate clothing for all weather conditions. Some classes have specific physical, dress, and equipment requirements. Please read the online class descriptions carefully. If you need assistance meeting class requirements, please contact the KBIA at info@kbia.net or call (207) 967-2180.

COVID-19 VACCINATION REQUIREMENTS

KBIA encourages all age-eligible student participants to be vaccinated against COVID-19 but does not require it.

Registration Policies & Expectations

CANCELLATIONS

***In 2022 we will return to our longstanding cancellation policy after two years of shifts for COVID-19.*

WEATHER & OTHER CANCELLATIONS:

Many classes are weather-dependent. KBIA's primary concern is safety. KBIA makes every attempt to provide alternative opportunities in bad weather. Any classes that must be cancelled due to unsafe weather conditions of any kind – weather or otherwise – are not refundable.

WITHDRAWAL FEES: All cancellations requested 2+ weeks prior to the scheduled class(es) are fully refundable minus a \$10 withdrawal fee per class (\$3 for Movie Nights and Tennis Walks). All these cancellations can be processed independent of the KBIA Office by using your Daxko profile. For a tutorial on processing this request, see this handy guide. If a student withdraws the week prior to the week of a scheduled class, KBIA will refund 50% of the class charge(s). These requests must be made in person at the KBIA Office or by emailing registration@kbia.net. No refunds are offered after the close of the Office hours on the Friday before class begins. The Program Administrator must approve all refunds.

CLASS CANCELLATION: If KBIA cancels a class due to low enrollment, we will notify you and issue a refund in the form of your original payment.

COVID-19 SICKNESS OR KBIA CLOSURE:

In the event of student absences due to COVID-19 or a mandated closure, KBIA initiated quarantine or other exclusion by any governmental agency due to safety concerns with the COVID-19 Pandemic, any tuition or fees paid will NOT be refunded.

ABSENCES: Once registered, unless an approved refund is granted, KBIA will not refund class fees if children miss class or choose not to attend. Absence does not trigger a refund unless it is for an approved medical condition and communicated to the KBIA Office staff.

OVERLAPPING CLASS REGISTRATIONS: KBIA has a large selection of classes, some of which conflict in times with others. For instance, Marine Biology can conflict with the Morning Bundle. Some parents sign their child up for so they can attend Marine Biology on the one day a week it is offered. In this scenario, the child will simply leave the Morning Bundle to attend the other class. No refund or proration of fees is offered. When members complete class registrations, they acknowledge that any overlap in classes is their intention.

CONDUCT AND VALUES

We expect children to show respect for and consideration of the feelings and welfare of others. Rules and discipline start with the premise, and with the firm belief, that self-esteem is the foundation that nurtures both respect for other and personal honesty. Trust is the cornerstone of our community. KBIA expects every member of its community, child and adult, to demonstrate concern for others. Therefore, we share and practice the following standards:

- We respect the dignity and individual needs of other human beings. No one, neither adult nor child, has the right to mistreat another person. This includes name calling, ethnic, racial or gender-based slurs, bullying and inappropriate teasing;
- When we make decisions about personal and KBIA matters, we accept the consequences for those decisions;
- We respect KBIA's property and the property of others; and
- We strive to serve and contribute to the welfare of KBIA, the Cove, Mother's Beach, and the Kennebunk Beach community.

Registration Policies & Expectations

BEHAVIOR AND DISCIPLINE

KBIA is located next to the ocean, and many of our classes are on the water. Safety is of the utmost concern and we expect members of the KBIA community (children, counselors, staff, and parents) to abide by the following principles: care for self, care for others and care for one's environment. We demonstrate these principles through the qualities of honesty, self-control, and responsibility. A child who exhibits inappropriate behavior will discuss the matter with the instructor, and other students if required, and together make a decision about the appropriate consequence. Instructors help students to understand the boundaries of appropriate behavior and we ask parents to support these efforts by reinforcing them at home.

In the case of a serious infraction, or repeated offense, the Executive Director will become involved and contact the parents to set up a meeting. Suspension or even dismissal from the program may be necessary when other solutions are exhausted or when a child's behavior creates a dangerous environment or causes an undue disruption to KBIA operations. Such decisions are at the discretion of the Executive Director.

PARENT VISITS

KBIA has a beautiful campus, and we encourage you to enjoy the unique surroundings. Tables, chairs, and umbrellas are for your use. However, if you would like to visit your child's "classroom," please contact the instructor or Executive Director to set up a convenient day and time. Sometimes parents drop in unannounced to chat with a teacher. While such practice may seem harmless and even friendly, it is often disruptive to the classroom routine. Under no circumstance should a teacher leave a class to have more than a cursory exchange, and under no circumstance should a parent initiate any kind of lengthy, intense, or negative interaction with a teacher, counselor, or counselor-in-training (CIT) who is working with a class. Other than to drop off or pick up a child, please refrain from entering the docks, swimming pool, Adventures Tent, Smith House or classrooms in the Strong Cottage when camp is in session. Private boats are not allowed at any time on our docks – even if the boats are owned by KBIA members.

EDUCATIONAL ACCOMMODATIONS STATEMENT

KBIA is not a special-needs program and is not equipped to provide individualized educational programs for students with severe physical, cognitive, or mental disabilities. KBIA will make reasonable accommodations for known disabilities to assist the child in meeting the behavioral performance standards of the program.

Scholarships: KBIA is a not-for-profit organization, and we're proud to offer scholarships to children of the Kennebunk area who require financial assistance – ensuring everyone can benefit from and enjoy an inspiring, fun-filled summer. For information, contact Executive Director Mimi Fox at ExecutiveDirector@kbia.net.

NON-DISCRIMINATION POLICY

KBIA is committed to supporting the goal of equal opportunity and does not discriminate based on race, color, sex, sexual orientation, physical or mental disability, religion, age, ancestry or national origin, status as a veteran, status as a whistleblower, or any other status protected by law in the hiring of counselors or staff or in administration of its educational policies, admissions policies, scholarships, and other KBIA-administered programs.

EMPLOYMENT OF COUNSELORS

KBIA offers employment to young men and women starting at age 15. Typically, these teenagers have been campers at KBIA and have participated in the CIT program during the previous two summers. The CIT curriculum covers topics such as the basics of employment (being accountable, responsible and diligent), customer service, and safety. Any counselor, whether they have matriculated in the CIT program or are direct new hires, are expected to demonstrate these skills.

If an issue should arise regarding the performance of an employee under the age of 18, the Executive Director will attempt to resolve the issue directly with the employee. The KBIA views these incidents as opportunities to learn and develop. Yet should the problem persist, or is a major problem, the Executive Director will reach out to the parents of employees under the age of 18 to enlist their assistance with the matter. If an employee is over the age of 18, parents will not be contacted.

IMPORTANT INFORMATION REGARDING ONLINE REGISTRATION

We strongly recommend that you test your KBIA (Daxko) account well in advance of program registration start dates. The KBIA Office can assist you through the program registration steps to ensure you are comfortable with the process.

Access Your Profile

- **Click on this link** to take you to the Membership Login.
- Select Find Account.
- Search your email or phone number associated with your account. If you have problems, contact info@kbia.net
- Either renew your membership right away or click on My Account at the top right to View Account and make any edits you need to participants, billing, addresses, or contact information.
- Before you log off, make sure your membership is active!

**Can't find yourself? We may need an updated birthday on file. Try to search with the birthday 1/1/1910.*

How to sign up for a NEW membership online:

1. Visit this **link**
2. Select the level of Membership you desire and follow the prompts to complete your profile.
3. Keep in mind that the primary person setting up the account will be the default to receive all email communications from KBIA.

How to Register for programs:

- Log into your Daxko account using this **link**.
- Register for “**2022 Required Contact Info and Health Forms**” to get ready for registration to open. By completing this registration NOW all your answers to the health questions and emergency contact information will be saved for when registration for all programs opens on Saturday, April 2 at 9 AM EST.
- Locate all your classes in this Activity Guide – KBIA’s comprehensive source of registration information, class descriptions, and class times.
- Now, go to the online registration for programs **here** and locate your favorite class offerings in the Coming Soon tab and get comfortable searching for your selections! Hint – it’s really easy to sort offerings by your child’s birthday and the “locations” are actually all the types of classes (Art Electives, Sailing, Tennis, etc). Use the filters to find what you want when you’re browsing and then follow the same path when registration day arrives!

KBIA Covid-19 Protocols

The safety of our students, Members, and employees is our top priority and much thought and care has gone into protocols to protect the health and well-being of our community while maintaining the breadth and quality of experience that KBIA families have always enjoyed.

Some things are different at KBIA these days—below is an overview of how the Member experience has evolved in response to COVID-19. All section protocols have been created with the safety of students, Members, and employees in mind and were developed from guidance from the CDC, American Camp Association, and the American Red Cross.

**Subject to adjustment based on local, State, and Federal guidance from the CDC, American Camp Association, and American Red Cross.*

GENERAL GUIDELINES

FEELING UNWELL

- Do not come to the KBIA if you are feeling unwell. Participants who are ill must not attend programs or camps as they could infect other participants. If a child participant becomes ill while in a class, he or she will be temporarily cared for while a family member is notified for pick-up. Should a child become ill on the day of a class, notification should be sent to the KBIA Office a minimum of one hour before the start time of the class.

VACCINATION

- KBIA encourages (but does not require) all age-eligible participants to receive all COVID-19 vaccine doses, including boosters (if eligible) in accordance with the most updated recommendations from the CDC.
- KBIA will require all STAFF, by the start of summer employment, to have received all COVID-19 vaccine doses, including boosters (if eligible) in accordance with the most updated recommendations from the CDC. Requests for medical exemption/reasonable accommodation to this requirement must be submitted to the Executive Director two (2) weeks prior to the staff's expected start date and will be reviewed on a case by case basis in accordance with applicable law.

MASKING

- KBIA will not require indoor masking at this time. We will monitor the landscape of the virus and we will follow

If you have any questions regarding an exposure or the proper protocol/ access to rapid testing, contact the KBIA Office for guidance. KBIA will provide rapid tests to families for purchase if participants are symptomatic.

current CDC guidance on indoor masking should that shift.

TESTING

- Should the virus change, KBIA may also require testing for regular class participation.
- At this time, testing is not required for regular participation UNLESS there has been an exposure or confirmed case of COVID-19. Please see the Exposures to COVID-19 section below for clarity.

CLEANING & SANITIZING

- Hand sanitizer dispensers are available throughout the campus; you may wish to

bring your own as well or we will have some for purchase in the KBIA Store.

- Cleaning and disinfection of high-touch surfaces (such as door handles) is performed frequently throughout the day.

COVID-19 MANDATED CLOSURES

In the event of mandated closure, KBIA initiated quarantine or other exclusion by any governmental agency due to safety concerns with the COVID-19 Pandemic, any tuition or fees paid will NOT be refunded.

EXPOSURES TO COVID-19:

***The below information is accurate as of the date of this publication and aligns with guidance from the CDC on exposures to a positive COVID-19 case and any resulting need for quarantine. For the most recent policy, please refer to the CDC website on this subject located [here](#).*

- All vaccinated participants exposed to a positive COVID-19 case will not be required to quarantine as long as they remain asymptomatic following an exposure
- Any unvaccinated/age ineligible participant who is exposed or who experiences one or more symptoms of COVID-19 (see full list) will be required to provide a negative rapid test result (daily) or an alternative diagnosis from a medical professional to participate in programming until the exposure window, as advised by the CDC has been met.**
- Should ANY participant or staff member test positive for COVID-19, please refer to the CDC for full guidance on the length of a required quarantine before returning to participate in KBIA classes.

***At the time of this publication, that timeframe is 5 days if returning to a class (and wearing a mask) and 10 days if returning to classes where the participant will be unmasked, though it is subject to change/revision with guidance if new details of the virus emerge.*

OUR MISSION

TO CREATE: Safe, supportive, and exciting Summers of Discovery for children and their families, through high-quality, affordable educational and enrichment programs taught by experienced and dedicated staff.

TO MAINTAIN: Our historical role since 1910 as Environmental Stewards of the unique and natural resource that is Mother's Beach and The Cove, standing firmly behind limitations on commercial development.

TO BE TRUE: To our values of inclusiveness, integrity, financial stability, charity and the importance of tradition.

TO ENSURE: That KBIA endures and is a respected contributor to the Kennebunk Beach and Kennebunk area community for generations to come.
