

KBIA AWARDS

Twice a summer, at both the KBIA July and August BBQ and Awards, we honor our children. All children receive participation ribbons, and some receive KBIA “wedges” (or plaques) for exemplifying the KBIA spirit in attitude and accomplishment. A select few earn their way into KBIA history. For these top honors, winners’ names are engraved on the traditional KBIA trophies, which are on display in the KBIA office for all to see. Every year we record those names here, which we started in 2010 using information from our archives for as far back as we could find. If you find an error or have an addition to our list, please notify the KBIA office.

Hartley Lord Cup for Seamanship is awarded annually to a boy or a girl who, during the season, has shown the greatest improvement in seamanship. It is named in honor of Hartley Lord, longtime supporter of KBIA.
