

KBIA AWARDS

Twice a summer, at both the KBIA July and August Awards, we honor our children. All children receive participation ribbons, some receive class awards, and others receive "wedges" (or plaques) to take home for winning silver awards. These silver awards honor those who exemplify the KBIA spirit in attitude and accomplishment. These select few earn their way into KBIA history. For these top honors, winners' names are engraved on the traditional KBIA trophies, which are on display in the KBIA office for all to see. Every year we record those names here, which we started in 2010 using information from our archives for as far back as we could find.

KBIA AWARDS

The Keepers of the Cove society was founded by KBIA's beloved Nature and Marine Biology instructor Faye Denniston, who retired in 2010 after serving KBIA loyally for 20 years. Keepers of the Cove are selected for their deep appreciation of the coast of Maine, their demonstrated respect for intertidal plants and animals, and their care of our Kennebunk tide pools.
