# Planning the perfect day at KBIA

## DOES YOUR CHILD NEED SUPERVISION BEFORE OR AFTER CLASSES?

\*Don't forget your [contact/health info forms](#) (required for all registered class participants)

To assist you in the registration process for your child, please use the following flow chart to help you begin your course selections. While we offer some full-day and half-day supervision options, spots in these programs are limited due to, primarily, the size of our indoor spaces which must be used in the event of bad weather. The bulk of our classes are "a la carte" and are offered with the expectation that either a parent or other caretaker will supervise the registrant before and after classes.

# Starfish

Starfish (ages 4-5) is a weekly morning drop-off program designed for preschool age children. The program meets daily from 8:30 to 11:30 AM. A Starfish morning includes a 30-minute swim lesson, story time, nature time and a craft project. The Starfish program is staffed at a 4-to-1 ratio to ensure appropriate supervision of children at all times.

We will again offer the option to add a tennis lesson, which extends the day until 12:30 PM. KBIA Staff will walk students to the tennis lesson. Students are to be picked up at Edgcomb at 12:30 PM by a caregiver following the lesson. To add this option, members will need to register for Starfish IN ADDITION to the 11:30 AM Tennis Walk to Edgcomb and the 12 PM Tennis Stroke Development class.

**Class Requirements:**

*Please bring a snack, drink, and a swimsuit and towel. Please arrive in a swimsuit for 8:30 a.m. swim lesson.*

**Starfish must be age 4 or 5 by June 15, 2026. We set these limits for their own safety and security; we do not refund fees if child is registered inaccurately. See our age policy on Page 48.**

# Bundles

Back by popular demand, specific classes are bundled together to give children a 3-hour (or, with tennis, 4-hour) period of KBIA programming with supervision included between classes. Caregivers drop off their child at the first class and pick them up at their last class. Continuous supervision is provided by KBIA, led by our Bundle Coordinator throughout the day.

This year we are excited to continue other bundle options! In addition to the “classic” bundle pairings offered in past seasons — morning or afternoon, swimming or reading — we offer a morning bundle of sports and outdoor classes, and we are introducing two late-morning bundles centered around our drama electives and our Songwriting class. See next page for a detailed schedule.

**Class Requirements:** Bag lunch, water bottle, sunscreen, swimsuit (if in the Swimming Bundle), Tennis whites and a racquet (if in Tennis).

Bundle classes offer continuous programs for three or four hours.

Pick up and drop off locations for bundles are the first and last classes of the bundle for that day. The locations specific to your bundle will be emailed the week before the registered classes and signs will be posted outside the KBIA Office and on our bulletin boards.

Dropoff for all Classic Bundle children should be in the location of their age group’s specific class. If a child takes the 12:30 tennis class as part of the Bundle, parents should drop off their

child at 9 AM at KBIA and pick their child up at Edgcomb at 1 PM. KBIA staff will supervise children changing clothes, eating lunch, and walking them to Edgcomb for their lesson.

# Bundles

Our **Classic Bundles** include a one-hour Nature class, a one-hour art class (Creative Arts on MWE, Sculpture on TuTh), and either: a one-hour Reading class, or a half-hour swim lesson and a half-hour of supervised time to change clothes. Bundle schedules are organized by time of day, and by age groups (AM: 5-6, 7-8, and 9-10; PM: 4-5 and 6-8). See the bundle schedules for details.

Please note that programming in the AM and PM Bundles is identical, and there is no programming offered between 12-1 for those children enrolled in both sessions.

If you wish to add Tennis, members will need to register for the Bundle IN ADDITION to the 12 PM Tennis Walk to Edgcomb & 12:30 PM Tennis class (AM Bundle) OR 12 PM Tennis class & 12:30 PM Tennis Walk to KBIA (PM Bundle).

# Pool

## Swim Lessons (ages 2+)

Following the American Red Cross standards, featuring six levels of training, lessons are conducted from pre-beginner to advanced swimmer. Progress is charted, and level completion rewarded. NEW this summer, the KBIA swim staff will be charting and saving each child's level completion in Daxko to provide continuity for future years of swim instruction beyond age banded classes. Many of our instructors hold WSI Certification and are aided by Counselors and CITs, for a low student-teacher ratio. Class levels are age- and skill-appropriate. The pool is heated to 78 degrees.

**Class Requirements:** Children must be potty-trained — swim diapers are not permitted in the pool for sanitary reasons.

## Diving (ages 5+)

Learn the art and grace of diving. Covered dives include the pike, back dive, flips and more. WSI-certified instructors supervise and model appropriate techniques, with emphasis on technique and safety. Class levels are age- and skill-appropriate. Children must be able to comfortably swim in the deep end.

## Free Swim (ages 5+)

KBIA is excited to welcome back the ever-popular FREE SWIM! This supervised activity is offered daily - no registration required. These half-hour free-swim sessions are available for children ages 5+, from 12 to 12:30 PM and 4-4:30 PM. Free swim is available to children currently enrolled in KBIA classes during that week.

## Swim Team (ages 9+)

KBIA will again offer a Swim Team for those who want to compete against area swimmers. One-hour daily instruction will also help swimmers refine their strokes and help keep them in shape. Children under 9 may only register with the Pool Director's permission and, therefore, would need to contact the KBIA Office directly.

## Water Polo (ages 9+)

This fun class is all about play for our older students! **NOTE:** This class will only be offered weeks 3, 4, 5 and 6 this summer!

## Jr. Lifeguarding (ages 13 & 14)

Open to our older students and following the American Red Cross standards, progress toward lifeguard certification is charted, and level completion rewarded. Children, as young as age 11, may only register with the Pool Director's permission and, therefore, would need to contact the KBIA Office directly.

Participation in this class is free to those also cross-registered for the CIT program in the same week. For registered CITs – please contact the Office to register for this class at no charge by emailing [registration@kbia.net](mailto:registration@kbia.net).

## Private Lessons

Private swim lessons are arranged in conjunction with the Pool Director and the KBIA Office. Rates are for a single day of instruction and are as follows:

**Private lesson** (1 child; 30 minutes): \$46

**Semi-Private Lesson** (2 children; 30 minutes): \$66

# Tennis

Our tennis program is organized into skill and age-appropriate classes.  
All classes are held at Edgcomb Tennis Club, a 10-minute walk from KBIA.

**Tennis Class Requirements:** Participants must bring their own tennis racquet and wear proper tennis whites (all items of clothing need to be 90% white) and tennis shoes (non-tennis shoes are not permitted on courts as they cause damage). Participant will not be allowed to enter the courts unless properly dressed. Please bring your own water bottle.

### Tennis Stroke Development (ages 4-10)

- Ages 4-6: This introductory tennis class uses a smaller court and smaller balls and will focus on fun hand-eye skills, teaching all the tennis fundamentals — emphasis on FUN!
- Ages 7-10: This quick-start program uses a smaller court and different tennis balls to make the game accessible to all players. This class further develops fundamentals while kids have fun playing interactive games. Further work on fundamentals come from playing fun games, as well as net volley and base line challenges.

### Game Play (ages 9+)

Designed for those who love playing tennis games. Throughout the week, players will have the opportunity to play a wide variety of fun, fast-paced games to work on their tennis skills and fitness. The class is designed for players who know how to consistently hit a forehand, backhand, and volley.

### Advanced Stroke Development (ages 9+)

This level uses a yellow ball and is designed for players who are able to consistently hit groundstrokes, volleys, and serves. The class will include high-level technical instruction, consistency work, and strategy drills designed to prepare players for Match Play.

### Tennis Walks (ages 4-10)

We offer supervised walks to/from Edgcomb for classes. We recommend that you sign up for the walk that leaves 30 minutes prior to your scheduled Tennis class to have your child arrive on time.

# Art

From general Creative Arts to advanced techniques in painting and jewelry design –  
KBIA has an art class for every age and skill level!

### Creative Arts (ages 5-10)

Students will explore art concepts such as shape, color theory, line and texture. They will create weekly themed art projects that require multiple steps and use a variety of materials. Projects may take two to three class periods to complete. Class will begin with reading a children’s story that makes a connection to the art project followed by a creative game that connects the class together.

Sample projects may include a mixed media quilts and hanging sculptures made from recycled materials, papier-mâché sea creatures, batik ocean wall hanging, animal paintings and exploring a variety of artistic materials, cement casting, sculpture and more!

### Art Exploration (ages 4-5)

\*In this afternoon class for ages 4-5, students will explore the art of making through play-based activities, using a variety of creative materials to create their own squishy, traveling sensory bin and more. The focus will be on learning to create through play. Class will start with a book that is relevant to that day’s project followed by a few games throughout the class time. Students will build their creative and social muscles along with peers.

### Sculpture (ages 4+)

Working with clay, cement, foam, wood and a variety of other materials, students will create 3-dimensional sculptures. Students will learn about sculpture artists past and present and look at examples of their work to support the lesson plan that week. Focusing on the theme of animals and creatures, students will be creating original works starting with the design and sketch process, then choosing materials and learning about the proper applications.

### Beading Jewelry (ages 7+) – NEW!

This beginner jewelry class will explore a variety of beads to create original art to wear! Thinking beyond a single strand of beads, this class will utilize wide-clamp clasps to combine a few different layers of strings of beads. Once we have our multi-strand beading done then we either twist, braid or vary the length of the beads before we clamp them into the clasps. Using basic hand tools and traditional techniques, students will create necklaces and bracelets that stand out!

### Textile Jewelry (ages 8+) – NEW!

Using primarily strips of fabric and/or fabric-covered beads, students will create jewelry pieces in this class.

Exploring Woodworking

## Woodworking (ages 7+)

### Intro to Woodworking (ages 7-10)

For those students new to woodworking, this class will review the basics of how to utilize the tools to make smaller items.

**Prerequisite:** Every child who wishes to take Exploring Woodworking or Models & Sculptures needs to have taken Intro to Woodworking at least twice (or in previous summers at KBIA) prior to registering.

### Exploring Woodworking (ages 7-11)

With the basics under your belt, this class will provide students the option to refine their skills and create pieces to take home with them while building their confidence and ability to continue growing in their woodworking abilities. This one-day class will focus on building and completing smaller woodworking projects with themes and project suggestions provided.

### Models & Sculptures (ages 9+)

This class will provide weekly themes for students to use their imagination to create models and sculptures on a

## Art Electives (for ages 9+)

### Recycle Art – NEW!

Using found and discarded materials, students will create original sculptures and three-dimensional works. They will explore reusing and recycling practices while developing skills in design and form. Example projects may include sea creatures, robots, and abstract forms – truly the sky is the limit!

### Mural Making and Community Art – NEW!

This class brings together creatives to collaboratively develop and execute a mural concept from start to finish. All mural pieces will be painted on freestanding plywood that will be on display throughout the summer on the KBIA campus. This group will also work on a community based mini art gallery project. The mini art gallery will be on display at KBIA. This class focuses on working together collaboratively, sharing ideas and learning how to creatively execute those ideas.

### Printmaking

Students will learn and use techniques such as linocut, gelli and monotype printing. They will enjoy printing on a variety of materials such as different weight papers and fabrics. Projects include transfer image prints on paper and printed t-shirts with original linoleum block prints. Students will also learn about printmakers and be shown works of art to support the lessons.

### Mixed Media – NEW!

This new class will explore using a wide variety of materials and styles – paint, collage, fabric, found objects, printmaking, painting, sculpting, layering, and decoupage – to create projects weekly in a celebration of creativity and self-expression.

# Art & Nature

## Fashion Design (ages 9+) – RETURNING!

Get ready to design, create, and shine! In this hands-on class, students will bring their wearable and tangible ideas to life – from sketching to mood boards to choosing materials and adding fun embellishments. By the end of each week, everyone will take home a totally unique, self-designed creation.

## Comic Book Design

Do you enjoy graphic novels and letting your creativity out on the page with words and characters? Then dive into our new comic book design and creation class!

## Music – NEW SCHEDULE!

### Ukulele (ages 5-10)

Join the band – this new 3-day class will focus on the basics of playing the ukulele and students will work toward learning new songs all through the summer. Designed with beginner players in mind. Ages 5-10.

### Songwriting (ages 7-12)

A new music class where students work on bringing their own musical ideas to life!

# Reading

## Reading (ages 5+)

A class where budding readers begin their journey in reading and writing through fun, hands-on literacy activities such as read-alouds, shared reading, songs, poems, and much more. More experienced readers have fun integrating reading while they create a project. Watch their creativity blossom as the story comes to life through their work.

### Toddlers & Tales (ages 2-4)

Developed with our youngest participants, Toddlers & Tales introduces toddlers to new stories and beloved classics in a fun, inclusive environment. Parents are welcome to join, but attendance is optional.

### Titles & Tidepools (ages 5-6)

This class is a stimulating combination of reading and marine biology. Explore our cove to learn about the plants and animals that live there, collect shells and sea glass and then use these beautiful treasures to develop a story. Illustrate and write your own book or journal to take home as a lasting reminder of your summer at KBIA.

**Class Requirements:** Closed-toe water shoes or old sneakers are a must, sunscreen, a water bottle, and bring a beach pail!

### Beachcomber Book Club (ages 7-8) – NEW!

Explore seashore stories and Maine-inspired adventures while building reading and comprehension skills. Through read-alouds, hands-on activities, and creative projects, campers will discover the fun of reading and storytelling.

### Word Wizards (ages 9+)

An interactive reading and storytelling class for ages 9+ that incorporates fun and challenging word games as well as other interactive ways to create and engage in literary fun.

# Golf & Basketball

Webhannet Golf Course hosts our greens classes

## Golf (ages 5+)

We are happy to partner with Webhannet Golf Club to offer weekly golf lessons to our KBIA community. Overall Program Mission – Create and maintain a fun and safe environment for all our junior golfers who participate, while incorporating the core values that golf has to offer – honesty, integrity, sportsmanship and respect.

**Ages 5-8:** This class will teach the juniors the basic fundamentals of the golf swing which includes – grip, balance and good foot work. It will also focus on improving motor skills through various activities, for example, kicking a soccer ball, hopping, and skipping.

**Ages 7-10:** This session will continue to teach the basic fundamentals of the golf swing for both pre-swing and in-swing, while continuing to focus on improving motor skills. This class will also begin to introduce the golf course and teach junior golfers terminology, various formats and the rules of golf.

**Ages 9+:** This age group will continue to focus on pre-swing fundamentals while introducing more in-swing fundamentals based on individual experience and ability. This class will have access to the golf course to learn more about the rules of golf, terminology, and begin to learn the individual component of the game.

**Class Requirements:** Collared shirt, sneakers and clubs, at least a wood, 6 or 7 iron, and a putter. Plan for travel time.

# Rowing & Sailing

Sailing is a signature KBIA program. Join our experienced Waterfront staff and set sail with us! All sailing classes are shadowed by instructors in powerboats. All student enrollment maximums are based on full-staff availability. **Class Requirements for all sailing classes:** Participants must bring their own life jacket and closed-toe water shoes.

## Sea Fleas (Rowing) (ages 4-6)

In row boats, with instructors, children are taught to be comfortable on the water. Class includes a visit to nearby Strawberry Island, where they pretend to be in search of buried treasure! Each class is 4 days a week (3 days are 45 minutes long and the last day of the week is 1.5 hours).

Sea Fleas  
for ages 4-6

## Topsails (ages 9 & 10)

### 3-4 instructors

This course is designed for young sailors who may have some previous sailing experience. The curriculum allows sailors to further develop their understanding of sailing fundamentals, including rigging, boat handling, landing and departing the dock, points of sail, reading the weather, seamanship, water safety, basics of racing and sportsmanship.

## Laser Sailing (ages 11+)

### 2 instructors

This class is designed for both sailors who have mastered the fundamentals of sailing and are ready for more independence and for older novice sailors who are comfortable on the water and eager to jump into the sport. Instruction focuses on boat handling skills, including sail trim and boat speed, so that each participant can become proficient and confident in solo sailing. Both games and drills will be integrated into the class for guaranteed fun and learning! The class will sail in the cove and will also venture into the ocean when conditions allow. This is not a racing class but would serve as a precursor to racing and a great stepping stone onto the race team. The Laser sailboat is meant for one person who weighs over 100 pounds and/or is five feet tall. As Topsails will be run concurrently, if in the opinion of the staff the student is more appropriate for the Topsails class, the child will be reassigned to that class.

See next page for schedule.

Optimist class: 4-6 instructors  
Gollywobblers introduces sailing on the ocean to our youngest sailors with a focus on safety and fun. No experience is required and everyone aged 7 & 8 is encouraged to start sailing with Gollywobblers. Sailors will begin with land-based training on the basic sailing principles and terms. They will learn to assemble, rig and de-rig an Optimist class sailboat. From there we will quickly move to the water where students will sail with a classmate within the boundaries of KBIA's cove. As the week progresses, confident sailors will have the opportunity to sail alone.

# Sailing

## Individual and Semi-Private Sailing

Every week there are defined times for young sailors to sign up for private lessons, either as individuals or in a semi-private setting (2 people maximum per time slot). All times are booked online through Daxko and confirmed with the Front Office staff. Sailboat selection (Optis or Lasers) is up to the discretion of the Waterfront Director and KBIA Sailing instructors. Pricing are based on a two-hour lesson; shorter times are pro-rated.

**Private lesson (Opti):** \$215 (1 person/boat) \$305 (2 people/boat)  
**Private lesson (Laser):** \$273 (1 Laser with up to 2 per boat) / \$425 (2 Lasers, with up to 2 per boat)

## Cruisin' with a Crew (ages 11+)

**15 & 18.5 Precision's**  
**2 instructors**

Cruisin' with a Crew utilizes our larger 15 and 18.5 sloop rigged "day sailor" Precision sailboats. These boats are designed for a crew of up to 4 and are sailed outside the cove along the Kennebunk coastline. There is always an instructor in the boat, and another shadowing in a powerboat. Team work and communication are emphasized as the sailors work together alternating between the skipper and crew roles. This is a great class for new and experienced sailors alike.

# Sail Racing

## Race Program (ages 9+)

**C420's, Optimist class**

**2 instructors**

This racing-focused course utilizes both Optimist Class dinghies (students 9+) and c420 sailboats (students 11+).

KBIA's Race Program studies all components of sailboat racing with an emphasis on proper boat handling, the rules of racing, and mastery of sailing fundamentals. The goal of the Race Programming curriculum is to take good sailors and make them competent, confident, and competitive sailors ready to compete in local sailing regattas and MIRC's. All race program participants should have at least one week of sailing experience from the previous or current sailing season. Students who are enthusiastic about taking their sailing to the next level will be perfect candidates for this course. One of the highlights of the race program is the opportunity to travel to neighboring sailing programs to compete in youth regattas at other sailing clubs in the Maine and New England Sailing circuit.

***Note:** Regattas and MIRC's do not occur every week. A complete schedule of Regatta and MIRC dates will be shared when available*

# Powerboating

Open to students ages 9+, our Powerboating classes are taught by a certified Coast Guard Captain who infuses fun into every outing! Class Requirements for all powerboating classes:  
Participants must wear closed-toe water shoes; a TYPE 1 PFD is provided on site.

## Ocean Explorers (ages 9+)

**2 instructors.** In this catch-and-release class, students will participate in the excitement of hauling up lobster traps, baiting them and dropping them back to sea! This unique excursion also includes experiencing other local “critters,” such as seals, porpoises, sunfish, birds and every once in a while, the elusive Minke Whale.

## Fishing (ages 9+)

**2 instructors**

Let's go fishing! Students will join our USCG certified Captain and Maine Guide. This class focuses on the basics of saltwater fishing. All classes will begin with finding the bait and targeting Atlantic mackerel and pollock. After we have loaded up on bait we will head out to target Striped bass. KBIA practices catch and release only when targeting Striped bass.

## Power Squadron (ages 11+)

**Maximum 4 students / 2 instructors**

Class includes instruction on safe boating and coastal navigation. Participants will learn about outboard motors, hull design, anchoring and the rules of the road. GPS and other navigational tools will be introduced, with instruction provided on how weather affects boating and the Coast Guard's rules and recommendations. This class also emphasizes fun, by allowing students to get behind the helm while being closely supervised.

# Kayaking & SUP

Calling all paddlers! KBIA offers both kayaking and stand up paddleboard instruction (SUP)! Both classes are taught by certified guides and incorporate small class instruction in the Cove! **Class Requirements for all kayak/SUP classes:** Participants must bring their own life jacket and closed-toe water shoes.

## Kayaking (ages 7+)

A fun class that teaches the basics of kayaking while stressing safety. This class will provide kayakers with the necessary skills to paddle safely, efficiently and with confidence. Participants will learn how to enter, exit, and maneuver their kayak. Once the kayaker has learned the basic skills, they will continue to strengthen their abilities through water games and races in the Cove.

## SUP (ages 9+)

In the protected Cove, participants will learn the basics of this popular sport that combines a surfboard and a long paddle.

## Kayak Trip (ages 9+)

An exciting class for our more experienced paddlers, participants are guided on a long paddle outside the Cove. Enjoy three hours of paddling in the open ocean to a destination where kayaks will be beached for a snack break. Great ready for an adventure!

## Tween Night (ages 11-12)

A night of entertainment designed to build friendships and keep tweens active. Activities include pizza, beach games, music, bonfires, crafts, and more. Tweens will help select their own activities and design other events throughout the summer. KBIA Staff provides support for these events.

## Teen Night (ages 13-14)

Teens get together for some fun and to connect with their peers in an informal setting. Activities may include pizza, campfires, concerts with local musicians, casino night, barbecues, beach games and more. Teens help select their own activities and design events throughout the summer.

# Counselors-in-Training

There are five different Counselor-in-Training (CIT) Pathways. ALL CITs must take the General CIT course, and if they are interested in specialty areas then they will need to enroll in those special CIT classes as well.

**General CIT:** CIT classes meet twice a week. All CITs must be registered in a CIT class to volunteer in programs. The General CIT program for ages 13 to 14 emphasizes on-the-job training, supervised instruction, and lessons in CPR and First Aid. Each CIT will sign up for 12 or more flexible hours of service activities per week. CITs are required to register for the General CIT class, as well as complete a CIT Interest Form found online. CITs must enroll in at least two consecutive weeks/summer but are encouraged to participate in as many weeks as possible.

**Pool endorsement:** Must register for General CIT AND enroll in Jr. Lifeguarding at least two weeks/summer (not to exceed 3 weeks/summer). These CITs will also spend time volunteering in pool classes.

**Tennis endorsement:** Must register for General CIT AND enroll in CIT Tennis at least two weeks/summer (not to exceed 3 weeks/summer). These CITs will also spend time volunteering in tennis classes.

**PowerBoat endorsement:** Must register for General CIT AND complete the CIT PowerBoat class for a minimum of two weeks/summer (not to exceed 3 weeks). In addition, they should have attended at least 2 PowerBoating/classes as a student. Once completing the requisite number of weeks of CIT PowerBoat, these CITs can work in the following classes: Power Squadron, Critter Cruise, Fishing, and Island Picnic at Sea.

**Paddle Endorsement:** Must register for General CIT AND complete the CIT Paddle class for a minimum of two weeks/summer (not to exceed 3 weeks). In addition they should have attended at least two SUP or Kayak classes as a student. Once completing the requisite number of weeks of CIT Paddle, these CITs can work in the following classes: Kayaking and SUP.

**Sail Endorsement:** Must register for General CIT AND complete 2-3 CIT PowerBoat classes throughout the summer. Additionally all Sailing CITs need to complete at least one session of Laser as well as one session of a Race Team before or during their CIT time at KBIA. Sailing CITs are encouraged to participate in Race Team as well as attend all MERCs. Once completing the requisite number of weeks of CIT PowerBoat, these CITs can work in the following classes: Sea Fleas, Gollywobblers and Topsails.

**When signing up for classes:**

- 1. Pick the weeks you wish to CIT and register for the General CIT class (meets Monday and Thursday) for all those weeks.
- 2. If you wish to have any CIT experience in the Pool, Tennis, PowerBoat, Sailing, or Paddle (Kayak or SUP) please see the requirements in the endorsements above and select those classes needed for two of the weeks you are also attending the General CIT course.

# Counselors-in-Training

## FAQs on the CIT Program

**What is the cost of CIT class?**  
\$146/week for the first four weeks, no charge after that. Parents, only sign your children up for four weeks, then contact the office if you want them to have additional CIT time. Parents cannot sign children up for the “No Charge CIT” classes. CIT Power is \$125/wk, CIT Paddle is \$75/wk, and CIT Tennis is \$22/wk.

**How many weeks can I be a CIT?**  
We recommend at least two, and up to all 8 weeks. For Tennis, Powerboat, Sailing, and Paddle, we require a minimum of 2 weeks.

**What does the basic class look like?**  
CITs meet with the CIT coordinator twice a week for an hour. We will

review safety procedures, leadership qualities, team building, & communication skills, just to name a few topics. We will play games, assist KBIA with projects, and have guest speakers.

**What do CITs do?**  
CITs assist KBIA faculty with their classes. You may play games with the Adventures campers, walk and talk with tennis classes on the way to the courts, help campers stand up on their paddleboards – all sorts of things! You are learning to be a junior counselor for KBIA.

**Can a CIT sign up for other classes?**  
Absolutely! You are welcome to sign up for any classes you still wish to take as a student (sailing, surfing,

tennis, art electives, etc). Your CIT class volunteer schedule will be adjusted around any classes you register for.

**How many classes can I be a CIT for?**  
We encourage you to sign up for about 12 hours of classes per week.

**How do I sign up to be a CIT?**  
**Standard Classes:** Sign up sheets, or possibly Google Forms will be available weekly for CITs to volunteer for classes.  
**Sailing, PowerBoat, Kayak and SUP Classes:** There is a separate CIT class for these courses that you must be registered for IN ADDITION to the basic CIT class which meets every Monday and Thursday.

# Adventures

Our popular KBIA Adventures program keeps children ages 5 and older actively engaged in between their KBIA classes. This program allows you to choose classes a la carte. In addition to providing fun activities, the staff is responsible for dropping off and picking up children from their classes. The staff also ensures Adventures kids are properly hydrated and protected from the sun.

## Full- and half-day programs

Weekly enrollment in KBIA Adventures is available for full or half days. In order to participate, half-day children must register for a minimum of 3 classes PER WEEK that occur during their session, either 8 AM to 12 PM or 12 to 5 PM. Full-day children must register for at least 4 classes PER WEEK.

### WEEKLY RATES\* FOR FIVE DAYS:

Full day: \$263

Half-day: \$159

*\* Above prices are the KBIA Adventure fees, not including the price of selected classes*

Daily arrangements are available with permission of the Program Administrator at a cost of \$63 for a full day or \$44 for single half days, AM or PM. Enrollment is limited; email [registration@kbia.net](mailto:registration@kbia.net) to inquire.

For your child's safety, supervisors can only release your child to adults designated by you in writing on the [2026 Contact Information & Release Form](#). IDs for pick-up are required. Fees charged at a rate of \$1/minute for late pickup.

## THINGS TO BRING

- Bagged lunch and snacks
  - Water bottle
  - Swimsuit
  - Towel
  - Sunscreen
  - Change of clothes
- \* We provide water but cannot offer refrigeration

**Parents, please check your child in and out with the Tent Coordinator every day.**

Adventures fills the gap for children between classes

# Adventures

Children are actively engaged under the tent or supervised around campus or on the playground

# For Adults

KBIA is not just for kids – we have select classes that are set aside for adults only – yoga and lap swim are the regular weekly options, but adults are welcome to attend a Cove Walk (see Page 38). Also, we offer private boating lessons by appointment only as well. You could also buy out a Paint Night for a group of friends. Contact the KBIA Office if you would like to arrange any private experience!

### Yoga

Join our yoga class for adults age 15 and older, three days per week, on the lawn to take in the gorgeous views! Register in the office, at least one day prior to class, you can sign up for one day or more. Mats will be available to borrow or bring your own.

July 1*	July 22	Aug. 13
July 8	July 29*	Aug. 19**Final campfire, directly following Awards

## Family Swim

Family Swim will take place EVERY Saturday from 12-1 PM beginning June 27 and running through Aug. 15. Twice a summer we will offer a complimentary ice cream sundae bar along with the Family Swim.

**Ice Cream Sundae dates are July 18 and Aug. 8**

## Cove Walks

This summer join us for a Cove Walk, a great activity for families with kids ages 3+. Please register at the Office prior to the walk. Cost is \$30 per family. All Cove walks are open to the public.

- Saturday, July 11, 1-3 PM
- Saturday, July 18, 9-11 AM
- Saturday, Aug. 8, 12-2 PM

## Awards and Family Pizza Parties = Friday, July 17 + Wednesday, Aug. 19

We are mixing it up this year with a few changes! We will host our July awards ceremony on **Friday, July 17**, starting with a free family pizza party at **4:30 PM**, which includes chips, cake and drinks for all member families. At **5 PM**, we will begin handing out various KBIA “wedgies” and traditional KBIA honors.

All members are welcome to attend this celebration of our students. Please RSVP to the office so we can order enough pizza and cake for everyone to enjoy!

We will hold our traditional Watersports morning in the pool on Saturday, July 18, for various ages:

## Open Waterfront Schedule

On open waterfront days, KBIA members may take out stand-up paddle boards, kayaks, and sailboats for their own use. Participants must be confident in their chosen equipment as no instruction is offered on these days. If you're planning to sail, you must know how to rig the sailboat of your choice. Waterfront staff is on hand to shuttle people to and from the deep docks and provide on water assistance, if needed. All participants should plan to arrive within 30 minutes of the scheduled start times as watercraft are subject to watercraft availability, first-come first-served. FREE to members.

If you're interested in learning to sail with instruction during these Open Waterfront days, we can also arrange private lessons to get you checked out and confident in the boat of your choice. Please arrange private lessons ahead of time with the Office by emailing [registration@kbia.net](mailto:registration@kbia.net)

# Registration Policies & Expectations

## MEMBERSHIP

We welcome everyone to join! To register for KBIA classes in Weeks 2-9, you must be a KBIA member and have paid the annual membership fee. One membership is required per family, which is defined as one or more generations living in the same household, with members of the younger generation being direct descendants of the older generation. Non-members are welcome to sign up for classes for Week 1 without paying a membership fee, however, class registrations do apply. Please note that KBIA memberships are non-refundable once processed, as they are tax-deductible contributions to KBIA as a 501 (c) (3). The membership is tax-deductible with the exception of a \$25 administrative fee. For more information, see the [Membership page on our website here](#) or email the Office at [info@kbia.net](mailto:info@kbia.net).

## CLASS REGISTRATION & PARTICIPATION

Classes fill quickly! Memberships can be renewed/ acquired online here at any time. However, all class registrations are processed beginning on **Saturday, Feb. 28 at 10 AM EST**. If you submit registrations electronically, they will be processed by Office staff at that time and in the order they are received AT THE SAME TIME that online registration is open to all. Registration will be opened at staggered times:

- 10 AM: Bundles and Starfist
- 10:15 AM: Adventures Tent
- 10: 30 AM: Sailing and waterfront
- 10:45 AM: Tennis
- 11AM: All remaining classes & CIT

**WAITING LIST:** If any of the classes you select are filled, you have the option to register for the waitlist. KBIA will notify you if you are moved from the waitlist to full enrollment. At any time, you can check your status on the waitlist through your online Daxko portal.

**PAYMENT:** In order to be processed, all required forms must be accompanied by complete payment of the annual membership and class fees at the time of registration. Alternative payment plans may be available if needed; please contact the Program Administrator at [ProgramAdmin@kbia.net](mailto:ProgramAdmin@kbia.net) to

inquire about alternate plans. Credit card payments are processed through Daxko, our registration portal. Check payments may be mailed or brought to the KBIA Office during office hours. Cash payments are only accepted in person during Office Hours beginning June 15, 2026.

Please note we cannot release details on other children’s schedules; please see your children’s friends’ parents or guardians to inquire directly and coordinate your schedules.

## CLASS & SAFETY REQUIREMENTS

**In order to attend classes, each child must be the specified age for their age group by June 15, 2026. We set these limits for their own safety and security in their abilities of each class; we trust your honesty, and we will not offer refunds if any child not of actual age is enrolled improperly in any class.**

Unless a child is enrolled in Adventures or the Bundled Class schedule, KBIA does not provide supervision of children outside of scheduled class time. KBIA has an open-campus policy. KBIA faculty and staff are not responsible for the supervision or accountability of children when they are not attending KBIA classes. KBIA assumes responsibilities for children once they arrive at class and for the duration of the class. At drop-off, parents or guardians can indicate to the class instructor the individual who is responsible for picking up the child (pre-approved and listed in your Daxko profile) or if they child is allowed to leave independently. Children arriving to class independently will be allowed to leave class independently.

For safety, security and practical reasons, **we do not allow cell phones with children in any class**. All staff is equipped with appropriate communication equipment in case of emergency.

**WEATHER WARNING:** The weather on the waterfront can change quickly. Be sure your child has sun protection and appropriate clothing for all weather conditions. Some classes have specific physical, dress, and equipment requirements. Please read the online class descriptions carefully. If you need assistance meeting class requirements, please contact the KBIA at [info@kbia.net](mailto:info@kbia.net) or call (207) 967-2180.

# Registration Policies & Expectations

## WEATHER & OTHER CANCELLATIONS:

Many classes are weather-dependent. KBIA’s primary concern is safety. KBIA makes every attempt to provide alternative opportunities in bad weather. Any classes that must be cancelled due to unsafe conditions of any kind – weather or otherwise – are not refundable. **Please call 207-967-2180 and listen to our full welcome message for up-to-date information on weather and any pertinent class cancellations; we will post on our phone message first before we send any emails or text messages.** A red flag on the public beach is considered a weather cancellation and therefore there is no refund if surfing cannot run due to a red flag.

**WITHDRAWAL FEES:** All cancellations requested 2+ weeks prior to the scheduled class(es) are refundable minus a cancellation fee that corresponds to the cost of each class, see chart below:

FEE FOR CANCELLING 2+ WEEKS PRIOR	FEE FOR CANCELLING 1 WEEK PRIOR	WEEK OF CLASS CANCELLATION
\$10% of class fee	50% of class fee	No refund

All requests to cancel or shift classes will be honored without a charge until March 31, then the above cancellation/change fees apply. Refunds are offered after 2 PM on the Thursday before the class begins. All requests must be made in person at the KBIA Office or emailed to [registration@kbia.net](mailto:registration@kbia.net). The Program Administrator must approve all refunds.

**CLASS CANCELLATION:** If KBIA cancels a class due to low enrollment, we will notify you and issue a refund in the form of your original payment.

**ABSENCES:** Once registered, unless an approved refund is granted, KBIA will not refund class fees if children miss class or choose not to attend. Absence does not trigger a refund unless it is for an approved medical condition and communicated to the KBIA Office staff.

**OVERLAPPING CLASS REGISTRATIONS:** KBIA has a large selection of classes, some of which conflict in times with others. For instance, Marine Biology can conflict with the Morning Bundle. Some parents sign their child

**up for so they can attend Marine Biology on the one day a week it is offered. In this scenario, the child will simply leave the Morning Bundle to attend the other class. No refund or proration of fees is offered. When members complete class registrations, they acknowledge that any overlap in classes is their intention.**

## CONDUCT AND VALUES

We are committed to creating a safe, nurturing and inclusive environment. We aim to provide a positive learning climate where all members of our community – participants, parents, staff, volunteers, guardians and visitors alike – feel physically and emotionally safe, included and accepted.

With this commitment, the following Code of Conduct is expected of all of our community members (participants, parents, staff, volunteers, guardians, visitors, etc.) at all times. All members of the KBIA community shall:

- **Respect yourself:** Members are expected, per their age, to take appropriate care of themselves (follow Health and Safety policies and procedures, practice self-care and participate to the fullness of their capabilities and comfort levels).
- **Respect the community:** KBIA members enjoy the privilege of being environmental stewards of the natural resource that is Mother’s Beach and the Cove. All community members shall treat KBIA property and its surrounding area with care and respect.
- **Respect others:** All members will work together and contribute to the well-being (physical, emotional, mental, environmental, social, etc.) of others to create a positive community. Equity, Diversity and Inclusion are promoted through a positive display of respect of all persons in speech, action and behavior, absent of violence, harassment, racism, intimidation and discrimination of any kind.
- **Honesty:** Parents and guardians are expected to provide accurate information about their child’s age when completing registration paperwork. This ensures that each child is placed in the appropriate class for their safety, enjoyment, and developmental level. To maintain fairness and program integrity, KBIA does not issue refunds if it is later discovered that a child was registered for a class outside of the designated age requirements.

## BEHAVIOR AND DISCIPLINE

KBIA is located next to the ocean, and many of our classes are on or near the water. Safety is of the utmost concern and we expect members of the KBIA community (children, counselors, staff, and parents) to abide by the following principles: care for self, care for others and care for one’s environment. We demonstrate these principles through the qualities of honesty, self-control, and responsibility.

In the case of a serious infraction, or repeated offenses, the Executive Director will become involved and contact the parents to set up a meeting. Instructors help students to understand the boundaries of appropriate behavior and we ask parents to support these efforts by reinforcing them at home.

In the case of a serious infraction, or repeated offense, the Executive Director will become involved and contact the parents to set up a meeting. Suspension or even dismissal from the program may be necessary when other solutions are exhausted or when a child’s behavior creates a dangerous environment or causes an undue disruption to KBIA operations. Such decisions are at the discretion of the Executive Director.

## PARENT VISITS

KBIA has a beautiful campus, and we encourage you to enjoy the unique surroundings. Tables, chairs, and umbrellas are for your use. However, if you would like to visit your child’s “classroom,” please contact the instructor or Executive Director to set up a convenient day and time. Sometimes parents drop in unannounced to chat with a teacher. While such practice may seem harmless and even friendly, it is often disruptive to the classroom routine. Under no circumstance should a teacher leave a class to have more than a cursory exchange, and under no circumstance should a parent initiate any kind of lengthy, intense, or negative interaction with a teacher, counselor, or counselor-in-training (CIT) who is working with a class. Other than to drop off or pick up a child, please refrain from entering the docks, swimming pool, Adventures Tent, Smith House or classrooms in the Strong Cottage when camp is in session. Private boats are not allowed at any time on our docks – even if the boats are owned by KBIA members.

## EDUCATIONAL ACCOMMODATIONS STATEMENT

KBIA is not a special-needs program and is not equipped to provide individualized educational programs for students with severe physical, cognitive, or mental disabilities. KBIA will make reasonable accommodations for known disabilities to assist the child in meeting the behavioral performance standards of the program.

**Scholarships:** KBIA is a not-for-profit organization, and we’re proud to offer scholarships to children in the Kennebunk area who require financial assistance – ensuring everyone can benefit from and enjoy an inspiring, fun-filled summer. For information, contact Scholarship Coordinator at [scholarship@kbia.net](mailto:scholarship@kbia.net).

## NON-DISCRIMINATION POLICY

KBIA is committed to supporting the goal of equal opportunity and does not discriminate based on race, color, sex, sexual orientation, physical or mental disability, religion, age, ancestry or national origin, status as a veteran, status as a whistleblower, or any other status protected by law in the hiring of counselors or staff or in administration of its educational policies, admissions policies, scholarships, and other KBIA-administered programs.

## EMPLOYMENT OF COUNSELORS

KBIA offers employment to young men and women starting at age 15. Typically, these teenagers have been campers at KBIA and have participated in the CIT program during the previous two summers. The CIT curriculum covers topics such as the basics of employment (being accountable, responsible and diligent), customer service, and safety. Any counselor, whether they have matriculated in the CIT program or are direct new hires, are expected to demonstrate these skills.

If an issue should arise regarding the performance of an employee under the age of 18, the Assistant Director and/or the Executive Director will attempt to resolve the issue directly with the employee. The KBIA views these incidents as opportunities to learn and develop. Yet should the problem persist, or is a major problem, the Assistant Director and/or the Executive Director will reach out to the parents of employees under the age of 18 to enlist their assistance with the matter. If an employee is over the age of 18, parents will not be contacted.

## KBIA SICKNESS POLICY

### For all participants and staff:

Stay home and avoid contact with others (including household members who are not sick) if you have symptoms of illness, including fever, vomiting, chills, fatigue, cough, runny nose, dizziness, loss of taste/smell, and headache.

Students/staff may resume normal KBIA activities and classes once both of the following have been true for at least 24 hours:

- Symptoms are getting better overall
  - Student/staff member has not vomited and/or had a fever (and are not using fever-reducing medication).
- Precautions for the first 5 days after returning from illness include:
- Practicing distancing in outdoor classes when possible
  - Practicing mask wearing indoors
  - Refrain from participating in swim classes if the child cannot participate without being held by staff.
- If staff is sick, then they will be moved to deck guard duty instead of hands-on teaching. This will help keep all participants and staff at KBIA safe from spreading infection and keep classes running and available to all students.

## IMPORTANT INFORMATION REGARDING ONLINE REGISTRATION

We strongly recommend that you test your KBIA (Daxko) account well in advance of program registration start dates. The KBIA Office can assist you through the program registration steps to ensure you are comfortable with the process.

### Access Your Profile

- **Click on this link** to take you to the Membership Login.
- Select Find Account.
- Search your email or phone number associated with your account. If you have problems, contact [info@kbia.net](mailto:info@kbia.net)
- Either renew your membership right away or click

on My Account at the top right to View Account and make any edits you need to participants, billing, addresses, or contact information.

- Before you log off, make sure your membership is active!

*\*Can’t find yourself? We may need an updated birthday on file. Try to search with the birthday 1/1/1910.*

### How to sign up for a NEW membership online:

1. Visit this **link**
2. Select the level of Membership you desire and follow the prompts to complete your profile.
3. Keep in mind that the primary person setting up the account will be the default to receive all email communications from KBIA.

### How to Register for programs:

- Log into your Daxko account using this **link**.
- Register for **“2026 Required Contact Info and Health Forms”** to get ready for registration to open. By completing this registration NOW all your answers to the health questions and emergency contact information will be saved for when registration opens on **Saturday, Feb. 28 at 10 AM EST**.
- Locate all your classes in this Activity Guide – KBIA’s comprehensive source of registration information, class descriptions, and class times.
- Now, go to the online registration for programs **here** and locate your favorite class offerings in the Coming Soon tab and get comfortable searching for your selections! Hint – it’s really easy to sort offerings by your child’s birthday and the “locations” are actually all the types of classes (Art Electives, Sailing, Tennis, etc). Use the filters to find what you want when you’re browsing and then follow the same path on registration day!

### BONUS: 9-WEEK SUMMER!

When registration opens on Feb. 28, all active Week 1 Members will be able to register for Week 1 classes. As a special bonus, one week later – on March 7 at 9 AM EST – Week 1 Members will also have access to register for Week 9 classes during our 9-week summer program.

# OUR MISSION

**TO CREATE:** Safe, supportive, and exciting Summers of Discovery for children and their families, through high-quality, affordable educational and enrichment programs taught by experienced and dedicated staff.

**TO MAINTAIN:** Our historical role since 1910 as Environmental Stewards of the unique and natural resource that is Mother's Beach and The Cove, standing firmly behind limitations on commercial development.

**TO BE TRUE:** To our values of inclusiveness, integrity, financial stability, charity and the importance of tradition.

**TO ENSURE:** That KBIA endures and is a respected contributor to the Kennebunk Beach and Kennebunk area community for generations to come.
